# ANNUAL FUND DONORS

This generous support of the Arts of Southern Kentucky combines to produce more than 15,000 educational experiences annually, makes high quality performances possible for the more than 250,000 people in ASK's service area, and helps leverage millions in additional spending, creating jobs right here in South Central Kentucky. These donors impact lives through something as simple as a smile at a Broadway show and as important as hope for a young person trying to visualize their future.
