

## Social Story

I'm going to an Orchestra Kentucky concert at SKyPAC!

When I arrive...

I will be prepared for a crowded lobby.

If we don't have tickets yet, we can get them at the ticket office.

When I arrive...

I may be able to  
try playing some  
Instruments

if I want.

If it gets too loud...

I can ask to go  
to a quiet  
space.

I can also ask to go  
to a bathroom if I need to  
go.

When I am ready to see the show...

I will have my ticket ready.

An usher will be at the entrance to the Concert Hall. They are here to help.

To see the show I might need to wait in a line.

This might be exciting or scary but my family and friends will keep me safe.

When I am ready to find my seat, an usher will help me.

I will be sure to have my ticket ready!

When I enter the hall it  
might be a little dark.

This is ok.

Lights will help guide me.

When I find  
my seat I can  
sit back and  
relax.

I will make sure to put away my phone  
before the show starts.

# When the concert begins...

The concertmaster will arrive to help the orchestra tune their instrument.

Then the conductor will arrive!

# During the concert...

A guest artist might sing or play an instrument with the orchestra.

Or the orchestra might play by itself.

If it gets too loud...  
I can cover my  
ears.

If I am scared...  
I can cover my  
eyes.

If I need to I can always ask to  
go to a quiet space.

When the conductor puts his arms  
down and turns around...

It's time to applaud!  
If I liked it, I can  
show the Orchestra  
how much I enjoyed  
their music!

# As I Get Ready to leave...

Everyone will be heading to the exit.

I will make sure to be respectful and take turns as I leave.

# The symphony hopes I enjoy the concert!
